

Nursery Spring 1

Heroes Around Us

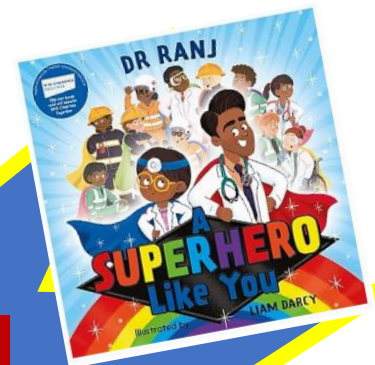

We will be experiencing some rather chilly weather conditions this term, please ensure that your child has a warm coat, hat, gloves and welly boots each day, thank you.

This half term in Phase 1 phonics will be focusing on the aspect of alliteration. We will be identifying what sound our names begin with and exploring the initial sounds of different words by playing games such as 'I-spy' and 'silly soup'.

This half term our topic is 'Heroes Around Us'. We will be learning about fiction superheroes, such as, Supertato and Superworm and we will be looking at non-fiction superheroes, such as, doctors and firefighters, as well as discussing who we think is a superhero to us.

In Maths this half term we will be learning how to use a five frame to identify an amount and recognising what is one more and one less.

We will also be practising our subitising skills by saying how many we can see without counting them.

Experiences- We will be exploring the season Winter and noticing the changes in the environment. We will also be inviting parents in to experience our 'role play city' with your children.
