

Spellings will be given out on each Monday with a Spelling Test on the Monday

Homework tasks are set weekly on Seesaw each week to reinforce children's learning.

PE days
IWIL: Monday and Wednesday
IWEB: Monday and Thursday
IM: Monday and Thursday

Year 1 Summer Newsletter

Welcome back! We hope you enjoyed the Easter break and are ready for the final term of Year 1. The children have made great progress in Spring term and have worked so hard, We are looking forward to seeing more achievements in the Summer term. To support this, it is very important that you continue reading daily, practising the weekly spellings and completing Seesaw activities.

Kind Regards,

Miss Willetts, Mrs Webster and Miss Khanum.

Key Information & Reminders:

Reading:

Reading at home with your child is so important. It builds listening skills, creates bond time with family members, expands vocabulary, increases attention span and develops children socially and emotionally. Please read 5 times a week and **record** this in their reading diary. Reading books will be changed once children have read their book three times.

News:

We are looking forward to our trip to Museum of Science and Industry. More details to follow.

Uniform

Please ensure that all school uniform is clearly labelled with your child's name. It can be very difficult to find missing items that are not labelled. You can find our uniform policy on the website.

Water Bottles and Snack

Water bottles should be brought into school daily. Please ensure they are labelled. Children will receive a free piece of fruit everyday. Children can bring in their own healthy snack, which must not contain nuts.

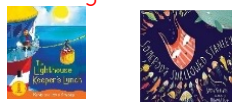

PE Kits

IWIL: Monday and Wednesday
IWEB: Monday and Thursday
IM: Monday and Thursday
White t-shirt
Black Shorts or Trousers
Black Pumps
Black Trainers (outdoors only)
No Logos!

On PE days, children must come to school in their school uniform and they will then change into their P.E. kit before the lesson. Please ensure all items of clothing are labelled.

English and Reading

We will be reading fiction and non-fiction texts such as: The Queen's Hat, The Queen's Knickers, Dragon Loves Penguin, Eddie's Garden, The Lighthouse Keeper's Lunch, Goldilocks and Just One Bear, Caterpillar Butterfly and Camille and the Sunflower. We will continue to develop our writing by using capital letters, full stops, applying our phonics, using conjunctions (because, and, so, if), punctuation and adjectives.

Geography

Why do people choose to live and work in Manchester?

We will be looking at our local area and its features. We will explore the city of Manchester and discover the landmarks. Our learning will take place through maps, books and observations.

P.E

We will be developing a range of skills such as throwing, catching, balancing and much more!

DT

We will be constructing a kite and developing skills for joining and cutting materials.

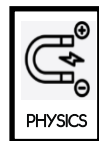

Science

In our Science lessons we cover the three subjects of Chemistry, Biology and Physics.

We will continue covering the spiral curriculum.

This term we will be looking at plants, things that are living, dead or never been alive, the growth of living things and the basic needs of humans and animals.

We will investigate how materials can be changed and how things move. We will also be creating a simple electrical circuit.

Year 1

Summer
2023-2024

Maths

We will explore multiplication and division, and fractions developing our numerical skills.

We will learn about position and direction in geometry.

We will continue to explore numbers by progressing onto numbers within 100.

We will also learn about money and time.

PSHE

Relationships Changing Me

We will learn about our relationships with others and ourselves, and how our bodies begin to change.

R.E.

What does it mean to belong in a faith community?
How should we care for others and the world and why does it matter?

Art

Sculptures

We will be looking at the work of different sculptors like Barbara Hepsworth, Antony Gromley and Henry Moore. We will use a variety of mediums to create our own sculptures.

History

Is nursing better today than it was in the past?

We will be exploring what the role of a nurse is and their importance. We will look at famous nurses such as Florence Nightingale and Mary Seacole. We will also look at how nursing standards have now improved.
