E-Safety

This leaflet is to help you keep yourself safe and happy when using different electronic devices, such as i-pads, computers, mobile phones, laptops, smart TV's; advise you about appropriate content and remind you what to do if you wish to report an incident.

What is E-Safety?

E-Safety means electronic safety. It is important because it helps keep you safe so you can explore, enjoy and have fun.

INTERNET SAFETY

The internet is great because:

- you can learn lots of things
- you can have lots of fun
- you can stay in touch with your friends and family
- it can help with your school work
- you listen to your favourite music
- you can play with your friends

Some online dangers include:

- cyber bullying - sending nasty texts, e-mails, pictures, swearing on games consoles and sites
- sexting – sending or forwarding on inappropriate images of yourself or others
- stranger danger - some people, who you don't know in the real world, want to talk to you or be your friend. These people are strangers. If a stranger is talking to you tell an adult
- bad language - seeing, hearing or using swear words that can cause upset
- content - some things on the internet are not suitable for children
  - viruses - some emails and websites have bugs that may harm your computer, phone, tablet etc.

What should I do if people are mean online, worry me or make me feel scared:

- tell an adult you trust straight away
- keep the messages to show the adult you trust and as proof
- try to stay calm
- report anything that worries you
- try to ignore the person
- block and delete the person

CLICK CEOP Internet Safety

Warning

What I should never do:

- keep worries to yourself
- be nasty or unkind back
- get angry or upset
- allow the person to keep being unkind
- delete the messages
- lie about my age

Who can I tell if I am upset or worried?

- Family
- Friends
- Adults in school
- School Council
- Peer Mediators
- PCSO (Police Community Support Officer)

ChildLine 0800 1111

What does our school do to respond to E-Safety issues?

- takes on-line safety very seriously
- listens to children involved and offers support
- looks at any available evidence
  - makes sure children face up to the consequences of their actions
  - contacts parents or carers
  - contacts Police if it's very serious

HACKER

What does the school do to keep me safe?

- the school maintains anti-virus software to keep viruses away from school computers
- the school makes sure that the children stay on safe websites by filtering and blocking any inappropriate websites
- the school keeps access to Laptops secure
- the school keeps our network and Wi-Fi access secure
- the school makes sure all staff have training to help keep children safe on the Internet
  - the school keeps searching safe on Google and other search engines

Remember – Stay SMART ...
...and follow our school rules:

S — Safe
Keep safe by not giving out personal information like school names, phone numbers, email addresses, home addresses or photos

M — Meet
meeting someone you have only talked to online may be dangerous. Don't do it without your Parent/Carer

A — Accepting
only accept messages and e-mails from people that you know. Messages from others may contain things that harm your computer

R — Reliable
Information on the internet may not be true and people may not be who they say they are

T — Tell
Tell a Parent, Carer, Teacher or trusted adult if someone makes you feel uncomfortable, worried or someone is being nasty online

We ask permission before using the Internet

- only use websites our teachers have advised us to look at
- only e-mail people our teachers have asked us to
- only send e-mails that are polite and friendly.
- never give out our address or telephone numbers
- never arrange to meet anyone we don't know

Who is responsible for E-Safety?

- teachers, parents, carers and you are all responsible for E-safety
- we encourage all children to report anything that is causing them to feel worried, upset or uncomfortable

Remember
The internet is amazing.
It can be great fun, we can use it to learn lots and keep it in touch with our friends, but we have to...
use it safely!
